

July 13, 2007
U.S. 101 Widening Project, Santa Rosa

Widening Work, Traffic Impacts, Openings, and Closures

- Crews are building soundwalls and retaining walls along the southbound side of the freeway. Some nighttime ramp closures are necessary during this construction.
- Farmers Lane is a Caltrans staging area. There are currently no active plans to extend eastbound S.R. 12.

Santa Rosa Creek and Fourth Street Viaduct

- Crews demolished one bridge at Santa Rosa Creek. Pile driving will begin sometime the week of July 16. **Pile driving will be noisy work.** A second bridge demolition is ongoing.
- The Greenway is closed through October 2007 for bridge construction.
- Fourth Street remains closed as utility related work commences.

Sixth and Ninth Streets

- Shoring work took place at Sixth Street.
- At Ninth Street, concrete is curing on one bridge section.
 - Ninth Street remains open to bicycle and pedestrian traffic.

College Avenue and Steele Lane

- College Avenue undercrossing will be closed the nights of Sunday, July 15 and Wednesday, July 18 for falsework to be stripped and for the bridge structure to be lowered.
- On the night of Wednesday, July 18, crews will remove an overhead sign at the southbound College Avenue offramp.
- Steele Lane will be closed overnight Thursday, July 26, Friday, July 27, and Sunday, July 29 for falsework placement.

Other

- Demolition work at the Railroad Overhead and Olive Avenue has been postponed.
- Throughout the life of the project, either lane in both the northbound and/or southbound direction of U.S. 101 will temporarily close as needed, from 10:00pm to 5:00am between State Route 12 and Steele Lane.
